Description

Vichy Catalan Spanish Sparkling mineral water is synonymous with good health, encapsulating the essence of Spanish culture and his own unique personality. Vichy Catalan was established in 1881. This premium water emerges from the ground at 60 degrees Celsius, which gives it a unique personality. The water is rich in minerals from the heart of the earth, which coincidentally have been shown to lower cholesterol, thus benefitting the heart. It also has many other health properties. It is unlike any other sparkling mineral water. Vichy Catalan mineral water is good for you, containing 27 of the 34 minerals that the human body needs for good health. Vichy Catalan has a strong reputation for exceptional quality and conducts ongoing research into the metabolism of cholesterol. Vichy Catalan water is very high in sodium and bicarbonates, which benefit digestion.
