General Description

Our Chorizo Riojano is semi-cured sausage made with coarse chunks of marinated meat. It is a popular cooking chorizo on the grill, with eggs, in various casseroles such as Fabada Asturiana or Lentejas. The Riojano is ideal for any cooking application that calls for a high quality pork sausage.

Ingredients

Our Chorizo Riojano consists of the following ingredients: Pork, Nonfat Dry Milk, Dextrose, Sea Salt, Imported Spanish Paprika (Pimentón), Garlic, Liquid Smoke, Spices, Oleoresin of Paprika, Sodium Nitrite, Sodium Erythorbate and Lactic Acid Starter Culture. Please note that the Riojano is a gluten free product.

Manufacturing Process

The Chorizo Riojano is produced by grinding, mixing and stuffing the sausage batter into collagen casings. This chorizo is subsequently fermented and then air-dried naturally in controlled drying rooms until optimum curing has been reached.

Shelf Life/Lot Coding

The Chorizo Riojano has a suggested "best before" date of 6 months from the date of manufacture if refrigerated with vacuum packaging intact.

We use the lot coding of YY-DDD on product cases. YY represents the year of production (i.e. 19 for 2019) and DDD represents the Julian day calendar (i.e. 010 for January 10)
