General Product Info (company info, flavor profile, appearance): Nueske's Applewood
Smoked Sliced Bacon is smoked for a minimum of 24 hours over glowing embers of genuine
applewood. The sweet applewood smoke permeates the entire cut of meat with its rich, smoky
flavor - Nueske's signature. Nueske's Applewood Smoked Bacon has won many awards for its
taste and quality, including multiple awards from the N.A.S.F.T. in the Outstanding Meat, Pate, and
Seafood category. Pre-sliced bacon cuts down on prep time and gives you consistent thickness of
slices.
