Description

This Extra Virgin Olive Oil is completely made of Arbequina olives from the region of Les Garrigues, Catalunya. The olives are harvested in November and December, this means that the olives are more mature which makes the olive oil taste sweeter. The olives grow in the surroundings of Mas del Senyor estate in the Northeast part of Spain. This magnificent estate, although equipped with all the modern production methods, was built in 1907 and is located at the bottom of the hill from which it derives its name. It is surrounded by beautiful landscapes and arid soil, which is often exposed to freezing winters and dry summers. The environment and climate are fundamental for obtaining this special and characteristic product.

Tasting Notes

Because the exclusive late-picked olives are more mature, this olive oil taste is sweeter with a pleasant piquancy and nutty notes.

Food Pairing

This oil is perfect to dress any fresh salad, to cook fish, pasta, with bread, or as an addition to marinades and sauces.

Ingredients

Extra virgin olive oil from arbequina olives
