Taste Elevated

Sweet -n- Tangy Mustard Seeds

Description

What makes this product truly unique is that it is pure pickled mustard seeds. We cook these little pearls until they are just tender enough to burst when bitten into. They are similar to caviar in texture and so much fun to use. Perfect for a condiment on anything, a topping for grilled fish and meats and mixed into salads. Tartar, carpaccio and deviled eggs garnished with these take the dishes over the top.
